

What difference does the Leading Parent Partnership Award make at Westmorland Primary School?

Achieving the LPPA has enhanced links between home and school. This is important to us as we know that when positive relationships are built, children's learning improves.

What can families do to help Westmorland maintain the award?

- Read all newsletters and publicity we send out.
- Come along to events we organise if you are able to.
- Complete any questionnaires or feedback forms we send out as honestly as you can.

We would like to take this opportunity to thank you all for your continued support with your child's education.

If you have any questions, suggestions or just want to know more, please don't hesitate to contact us.

Thanks

What is the Leading Parent Partnership Award?

The LPPA is a nationally recognised award achieved by schools who work very closely with the families of their pupils.

The assessment is made by an external advisor.

What do you have to do to achieve the award?

Schools have to work towards meeting nine different objectives, building up lots of evidence to support them before they can achieve the award. (see overleaf for details).

This award was achieved in October 2023.
